No Ifs, Ants, or Bugs...   Guaranteed

About Labels and SDS

All labels and SDS files are available both on are website and in our customer portal in .pdf format.

To download and view labels and SDS information, you must have Adobe Acrobat Reader.

If you already have Acrobat Reader, simply click on the .pdf files to view or print the information. If you do not have Adobe Acrobat Reader, visit www.adobe.com and download a free viewer.   The Acrobat Reader installation is easy and takes only a few minutes to complete.

When finished installing, visit our website at
http://www.griffinpest.com/licenses/logbook/ to view
SDS and Label information on pesticides that may be applied during service.

You can also access your information via the customer portal at
https://secure.griffinpestsolutions.com/

Refer to the service ticket and/or pesticide usage logs in this binder for specific products used.

**If this is an emergency, contact
the National Poison Control hotline at 800-222-1222**
